## Manual QA Tester/Engineer

**Number of Posts**: 1
**Contract Type**: Indefinite, Full-Time
**Location**: Sliema

**Job description:**

Think QA. Think eCommerce. Think about the fastest, most stable and easiest to update website on the market. This is where we are heading to. Wanna ride with us? We are looking for a Manual QA Tester/Engineer with experience in web and mobile app testing for iOS and Android to work on our webshop Bodymod. The go-to place to shop for piercing jewellery.

You might think that we don't take our business seriously, but behind our brand, we are a bunch of 70 people in a company called Blue Monkeys In Space and we are ambitious, because the sky is not the limit.

**Requirements**
- You have previously worked in an Agile methodology
- You have excellent attention to details, an analytical mind and problem-solving aptitude
- You think outside the box, and have proactive and logic reasoning
- You are vastly experienced in the QA domain and have deep understanding testing principles and artifacts
- You have evaluated projects, giving spot-on feedback
- You can work independently and in a well-structured way
- You are a team player
- You have excellent knowledge of bug-tracking software, preferably JIRA / Trello
- You're competent using software such as Google Workspace, Atlassian Confluence, etc.
- You're fluent in English, both written and verbally
- You possess excellent communication skills

You are even more suited for the job, if you have:
- Knowledge of eCommerce business processes
- Experience with an eCommerce CMS: Magento, Presta, etc
- Competence and knowledge of Postman, GraphiQL, MySQL

**Training provided:** Yes, but certain experience is required

**Any assistance with accommodation/relocation:** To be discussed during the interview

**Any other benefits:** To be discussed during the interview

**Salary:** Eur 27.000 - 34.000 per year

**How will the interviews be held?** Online

**To apply**
CVs and a covering email are to be sent by email to **eures.recruitment.jobsplus@gov.mt** and should be written in English. Please quote the vacancy name and number in your email.
