

Electronics technician - operating technology (m/f) (ID: CC-HWT_030)

Over the last 25 years, our company has developed into one of the leading service providers in the field of air conditioning and refrigeration. From our location in Saarburg we serve customers within a radius of more than 100 km and are active in Germany, Luxembourg, France and Belgium.

We design and build compound units, heat pumps, commercial and industrial refrigeration systems for all refrigeration centers including NH3 and CO2 at our Saarburg location.

To expand our team, we are looking for a motivated **electronics technician**.

Your Tasks:

- Installation and commissioning of refrigeration, air conditioning and heat pumps
- Wiring work on control cabinets
- Support during commissioning of refrigeration plants (after training period)

Your profile:

- Professional qualification in the field of electronics
- Motivation/willingness to perform, independent work, diligence/accuracy, reliability and flexibility
- Willingness to spend the night away from home
- German B1 language skills desired due to customer contact
- Class B driving licence

We offer:

- Permanent employment contract: 40 hours/week
- Performance-related salary 13-16 € gross/hour depending on professional experience and training
- Varied and interesting work in all areas of industrial and commercial refrigeration technology (including industrial heat pumps and special systems)
- Familiarization, training and further education in the field of refrigeration and air-conditioning technology
- Assumption of management responsibility (after appropriate training period)
- Applicants from abroad are welcome – we are experienced with foreign employees
- We help you find an apartment - or we offer you gladly an apartment in Saarburg
- Christmas bonus and vacation bonus as well as company retirement pension

Location:

Saarburg, Rhineland-Palatinate, Germany

Please send your application documents with CV in German or English (e.g. Europass) to:
ZAV.Customer-Center-114@arbeitsagentur.de quoting the job ID: **CC-HWT_030** of the offer.

If you have any further questions, please contact us. We will be happy to help you.

The Customer Centre will help you find a job in Germany. We are part of the state employment agency. Our service is free of charge. EU citizens may be able to get financial help (e.g. travel expenses, language course).
