

John's place

Welcome to John's Place! To the low, weatherly wooden house in the middle of Apelviken's beach So close to the ocean that the window glass is covered by salt water when the breeze is coming in from the west. In summer, the line between outdoor and indoor disappears when the terrace turns into a shady paradise under the tents. In the winter, the fireplace warms up beautifully, a castle fireplace from 1903.

At John's, no trends are observed The cosy atmosphere has been built during the 25 years that Dorthe Florin has owned the restaurant. Each lantern, each pillow, every stoneware plate, is carefully selected by Dorthe herself. That is how the style of John's came to be. Bit by bit, just like a lovingly decorated home.

We offer you a fulltime position, 40h/week, from 1st of June until 1st of September. During summer we will have some training for our chefs and cooks in South African cooking to further develop our fine dining cuisine. Since Varberg is a very popular summer coast city and it is hard to find accommodation here, we will do our best to help you to find a place in order to work for us.

EURES has connections with other restaurants in Sweden and if you like, there are possibilities to continue to work in Sweden when you finished your position at John's place.

Write "John's Place" on your application.
Interviews will take place in Campania next May.
