

## Gästis Café och Matsalar

Hundred years ago Gästis Matsalar was a concept in Varberg's restaurant life. This was the place where the people of Varberg went to when they were having breakfast, lunch, dinner, or coffee.

Mats Tovedal and Maria Christensen, the managers, have 20 years of experience in restaurant and café business. Their love for cooking, local products and fresh products have made their brand, well-known and appreciated by the people in Varberg.

Mats and Maria are now looking for 3 employees to strengthen their team. In order to be well fitted in the team they want you to be able to take own initiatives, be well organised in the kitchen and contribute with a happy and good energy. They have already other nationalities working in the kitchen and therefore it is required to speak either English or Swedish. All three positions are permanent contracts with 2 months of trial period.  
2 cooks with 2-5 years of experience. Education in restaurant/cooking is requested. A very good knowledge in how to make good fresh pasta.  
1 pizzaiolo, 2-5 years of experience.  
They offer a full time contract and will help you to find accommodation during the time you work at the restaurant.

We welcome you with your application. Write "Gästis Matsalar" on your application. Interviews will take place in Campania next May.
