

## Agricultural Machinery Mechanic (m/f) (ID: BY-BAU-627)

The employer is one of the leading companies in the field of friction welding and magnetic welding technology. Highly specialized machines, a high level of care and equally high precision make it possible to successfully complete any customer-specific and atypical order. Only the most innovative solutions in this industry are used and only the best specialists are used. For the constantly growing company, we are looking for a mechanic (m/w) at the next possible time.

### Tasks:

- General locksmith's activities, electrical installation and commissioning
- Maintenance and maintenance of machines

### Requirements:

- German language skills or English skills
- Vocational training as a mechatronic (m/w), locksmith (m/w) or as an agricultural machinery mechanic (m/w)
- In our company there are many languages spoken, for example English, Polish and Portuguese. In this case, you don't need German language skills. If needed, accommodation is available and we offer support with trips to authorities.
- Reliability and joy at work
- A sense of responsibility

### Frame conditions and benefits for employees:

- Employment contract: unlimited
- Working hours: Full-time, 40 hours per week
- Remuneration by qualification
- Support for administrative procedures
- Housing options are available if needed

**Location:** 86609 Donauwörth, Nordheim, Bavaria, Germany.
