

Community Pharmacist

Number of Posts: 2

Job description

We are presently seeking an enthusiastic, experienced, self-motivated, pharmacist to embellish our dynamic team in our busy pharmacy for an open contract period. Applicants can be local or from any EU country as long as they have a masterful command of English. Reporting to the Pharmacist in Charge, your primary role will be to help fulfil orders and provide exceptional service and advice to our customers.

The successful applicant must be a qualified pharmacist with a background in community pharmacy, exceptional product knowledge and a flexible working style. You must also be outgoing and team oriented.

Day-to-day responsibilities will include:

- Dispensing medications in an accurate and timely manner;
- Working with other team members to deliver excellent customer service;
- Assisting the Pharmacist in Charge;
- Delivering health promotion programs as required;
- Ensuring that all pharmacy operations are conducted in accordance with pharmacy policies and procedures, legal requirements and Quality Care Pharmacy Standards;
- Achieving specified performance and business objectives.

Requirements

Bachelor of Pharmacy
Fluency in English

Training provided

Yes

Any assistance with accommodation/relocation

We are also offering other perks with this position, such as remuneration for flights, help with accommodation searching, and paid transport from airport to your apartment, amongst other things.

Any other benefits

One of the perks we are offering with this position with us is a fully paid participation in Re-Invention, a world class mind and body conditioning program that is going to make you look and feel the best you have in yours (probably ever) and turn your mind into a steel trap of motivation and achievement.

Salary

The salary range will be between €25,000 and €28,000.

How will the interviews be held

We will be holding interviews via Skype.
