Bundesagentur für Arbeit

Zentrale Auslands-
und Fachvermittlung (ZAV)

The Center for International and Placement Services (ZAV) is a special services division of the Federal Labor Office in cooperation with the EURES network. The ZAV recruits and places job seekers looking for employment in Baden-Württemberg. We offer international applicants free, independent advice on working and living in Germany, contacts with German employers, and job placement. We can offer consulting services tailored to meet your needs and many other services related to the German job market.

The federal state of Baden-Wuerttemberg situates on the south-west of Germany and is one of the economically strongest and most competitive regions of Europe. Apart from many internationally operating companies, also middle-sized and small business are a carrying and indispensable column of our economy. The labour market is stable and the necessity of skilled labour high.

Our company stands for 40 years of high commitment and many years of experience in all major construction spheres. We are partners in structural engineering, civil engineering, road construction, piping construction, logistics, special operations and any construction-related information.

To complement our team at the earliest possible date we are looking to recruit a

Civil engineering worker (m/f) in full-time

Requirements:

- Completed vocational training in civil engineering or semi-skilled applicant with corresponding experience on the job
- We expect you to have professional experience in civil engineering
- Class B driving licence is mandatory
- At least A2 level of German language skills
