

With its roughly 7800 personnel working in a vast range of different occupational groups, Mainz University Medical Center is one of the largest employers in the State of Rhineland-Palatinate. Not only do we minister to the needs of more than 300,000 patients annually, but we are also a major medical research and training institute. As a comprehensive care centre, we are able to offer a wide spectrum of different options for professional and personal advancement.

We are searching for suitably qualified and dedicated general/paediatric nurses to provide support to our professional nursing teams working in our various specialist departments and in the intensive care units. We hope that you will contribute your skills towards those of our care team and thus help us comply with our basic principle for patient care - "Our expertise for your health".

The University Medical Center is seeking at the earliest possible opportunity General (Paediatric) Nurses (m/f)

Your profile:

- Qualified general/paediatric nurse (m/f) or a comparable qualification
- Interested in obtaining further qualifications through training and continuing education
- Able to work as a dedicated and reliable member of a team
- Interested in collaborating with other disciplines
- Resilient and flexible
- Interested in helping improve quality standards in health care
- Ideally language level B2

We offer:

- A varied and exciting activity with creative freedom
- The opportunity to work in a friendly and supportive environment
- Interesting and varied opportunities to work in all medical disciplines
- Specialised, structured induction training in the relevant departments
- Modern facilities and interdisciplinary, patient-oriented collaboration
- An attractive level of remuneration in line with our internal salary agreement; (at least € 2,175.46 gross per month, after recognition at least € 2,521.51 gross per month and an annual special payment); as well as a pension scheme and fringe benefits
- Excellent development, training and continuing education options
- Full-time and part-time employment options
- Support in improving the German language skills (own language course at the University Medical Center Mainz) and support in finding accommodation

We will be happy to accommodate your wishes with regard to working in our various specialist departments. Simply let us know your wishes in your application. You will also find more information on the nursing management homepage at:
