EURES – Vacancy form

Employer

Registered Austrian company with service agreement for personnel search via EURES with the AMS Austria

The NCO Austria will act as representative

As we have to attach great importance to the traceability and evaluation of the measures within the framework of the PMS, all applications will be preselected (after your pre-selection) by the AMS EURES Advisor and in case of suitability forwarded to the employer. Therefore, direct contact with the employer will only be made at appropriate accuracy. If needed, we are happy to forward the data of the employer to you, but with the agreement that the data will not be forwarded to third parties.

Contact person

All application documents for the pre-selection only via the AMS Austria. See contact in the section “application”.

Description of Company

The company is a leading provider of innovative façade and roof constructions made of glass, steel, aluminium and membranes. The company’s 1,000+ employees worldwide make ground-breaking building shells and constructions a reality, achieving modern architectural milestones
