

**Are you an Engineer or an ICT professional based in Italy?**  
**Have you ever thought of #Flanders as you career destination?**

If the answer is **YES**, save the date on your agenda :

**7-8th Novembre 2018 – European online and onsite Job Day**  
**fully devoted to #Engineers and #ICTprofessionals**

Browse the job event at the following link:  
<https://www.europeanjobdays.eu>

[work in Flanders 2018- Lecce](#)

On the 7th of November, you will have the opportunity to meet and make contact with Flemish employers in the Technical and ICT sectors and gain some more insight on searching for a job, living and working in Belgium, and Flanders in particular. You will be offered a thorough support package to your job search in Flanders. You can follow a Programme, also to be streamed live, with companies' presentations on their recruitment needs and what they expect from you. And, if applying to jobs beforehand, you might be invited for an interview on 8th November.

**To join , register for the Event**

If you hold the requisites, you may be invited for an online/onsite interview at Engineers' Association-Lecce, Viale De Pietro, 23 ( LECCE)

The event is organized by the EURES network (Belgium-Flanders VDAB and Italy-Puglia ) together with Lecce Engineers' Association

**We're looking forward to your participation!**
