

Cozy Italian restaurant with good food

In Italy, food is one of the building blocks for the culture. We want to bring some of this to Sweden. Restaurant Invito wants to take their guests for a gastronomic adventure through Italy where the taste, sea climate and fresh ingredients blend well into a cozy restaurant in central Varberg. The town is beautiful situated on the Swedish west coast.

In our menu you will find everything from starters (antipasti), a la carte menu (meat & fish), pizza with mozzarella, homemade pasta and authentic Italian desserts. The wine list is long and it is also worth a visit. All in order for you to feel a part of the Italian culture.

We are now looking for an Italian cook who have excellent skills in making homemade pasta. We are looking for the one who has the energy, positive attitude and the interest to develop our restaurant further. You should have at least three year experience in the Italian kitchen.

We offer you a full time position 40h/week in a beautiful town. We will do our best to help you to find accommodation in Varberg.
