

Health Nurse Neurology (m/f/d) (ID: BY-GES-675)

With more than 3300 employees, the employer operates 8 clinics, eleven centres and four nursing homes, an in-house institute for education and personnel development as well as vocational schools for nursing and nursing assistance. This makes it one of the largest healthcare providers in the region. At the earliest possible date, we are looking for health and nurses (m/f/d) for the clinic and polyclinic for neurology at the University of Regensburg at the Regensburg District Hospital. In the clinic and polyclinic of neurology all acute diseases and damage of the central and peripheral nervous system are diagnosed and treated. A Stroke Unit, an intensive care unit, a polyclinic, a central emergency room and the telemedicine stroke network TEMPIS are available. Research focuses on clinical health care include neuro-oncology, neurodegeneration, stroke medicine and neuroimmunological diseases.

Tasks:

- Care for neurologically affected patients as well as documentation of the measures
- Cooperation in therapy planning in an interdisciplinary team and co-responsibility for the implementation
- Intensive observation of patients with regard to specific symptoms and course of the disease
- Guidance and advice to the patient and his/her relatives in matters of nursing
- Working in a collegial and trusting team

Requirements:

- Knowledge of German at least at level B1
- Completed vocational training as a health nurse (m/f/d)
- Interest in the care of neurologically affected patients
- Empathy, communication and teamwork
- Flexibility and commitment
- Willingness to continuously training

Frame conditions and benefits for employees:

- Working time: full-time 40 hours /week - flexible part-time
- Employment contract: permanent
- You will receive at least 2.801.30 euros/month gross plus supplementary occupational pension without own contribution, up to 37 of days' leave for alternating shifts as well as time supplements and allowances according to TVöD-K (civil service collective agreement)
- Since 165 years a secure workplace in a growing clinic
- Assistance in apartment search
- Regulated working hours, part-time models and childcare services
- Free internal training during working hours and generous support for external training

Location: 93053 Regensburg, Bavaria, Germany.
