

# Welcome to the south Germany

The [International and Specialized Services](#) is looking for applicants for the following position to strengthen the team of an international manufacturer in the fields of fashion, home textiles and technical textiles at the earliest possible date:

## Machine and systems operator – Textile technology (m/f/d)

### Your duties:

- ✓ Independent monitoring of the looms
- ✓ Repair of yarn breaks
- ✓ Performance of quality controls
- ✓ Setting up looms and support of weaving preparations

### Your profile:

- ✓ Completed training as a machine and systems operator –textile technology
- ✓ Ideal would be training as a production mechanic – textile technology – however, this is not a mandatory requirement
- ✓ Reliability, sense of responsibility and commitment
- ✓ Willing to do shift work – two-shift operations
- ✓ Basic knowledge of German (A2)

### What the position offers:

- ✓ Compensation corresponding to qualifications and professional experience (between 10 € and 15 € / h)
- ✓ Fixed-term employment contract, possibility of permanent employment
- ✓ Various support services

### Work location: Durach (Bavaria)

Located in southern Germany, [Bavaria](#) is amongst the economic strongest and most competitive regions of Europe. The employment market is stable and the demand for qualified specialists in various branches remains high.

The Allgäu is a regional name associated with the Alps with distinctive cultural and linguistic characteristics. The region is completely located in southern Bavaria and includes, along with the alpine Allgäu, small parts of the foothills of the Alps.
