

Welcome to the south Germany

The [International and Specialized Services](#) is looking for applicants for the following position to join an innovative company at a traditional felt manufacturer and specialist in technical textiles in Europe, starting as soon as possible.

Production mechanic (m/f/d) – Textiles

The employer's customers include major and discerning companies from the filtration, automotive, acoustic, construction and steel industries, as well as instrument and machine construction companies, designers, room equipment firms and classic textile industry customers.

Your duties:

- ✓ Set up, control, maintain, monitor and service production equipment
- ✓ Oversee the textile manufacturing management process, complete quality inspections

Your profile:

- ✓ Successfully completed training as a production mechanic (m/f/d) – Textiles or similar
- ✓ Experience in working with textile machinery
- ✓ German fluency at B1 level desired
- ✓ MS Office skills
- ✓ Flexibility and interest in taking on responsibility, high level of quality awareness
- ✓ Independent working methods and ability to work in a team

What the position offers:

- ✓ Min. 2,281 EUR gross / month (based on the Südwesttextil Collective Wage Agreement)
- ✓ Initial temporary employment contract
- ✓ Two or three shift schedule in some cases
- ✓ Support in house / apartment search

Work location: Giengen an der Brenz (Baden-Wuerttemberg)

The state of [Baden-Wuerttemberg](#), in the southwest of Germany, is one of the strongest and most competitive economic regions in Europe. The labor market is stable and the demand for qualified professionals in a variety of industries is consistently high.

The region borders the Free State of Bavaria, and stands out for its high economic and technological performance with dynamic growth in a variety of industries. As a neighbor to the urban centers of Stuttgart and Munich, the region offers excellent transportation connections. At the same time, the area is close to nature and urban areas like Ulm, providing a high quality of life for families and single individuals.
