

Welcome to the south of Germany

The [International and Specialized Services](#) is looking for applicants for the following position to join a forward-thinking production team at a family company, starting as soon as possible:

Shift supervisor and mechanic in a spinning mill (m/f/d)

Your duties:

- ✓ Maintaining spinning and twisting machines
- ✓ Repairing textile machinery
- ✓ Shift supervision in the spinning mill possible

Your profile:

- ✓ Completed training as a production mechanic – textile or spinning mill technician with experience or master qualifications, or comparable qualifications
- ✓ At least a basic knowledge of German
- ✓ Advanced knowledge of spinning machines
- ✓ Willingness to complete 4-shift work
- ✓ Experience in shift supervision possible

What the position offers:

- ✓ 3,000 EUR gross / month
- ✓ Permanent employment contract
- ✓ Housing available near the company

Work location: Balzheim (Baden-Württemberg)

The state of [Baden-Wuerttemberg](#), in the southwest of Germany, is one of the strongest and most competitive economic regions in Europe. The labor market is stable and the demand for qualified professionals in a variety of industries is consistently high.

The [Neckaralb region](#) south of the state capital of Stuttgart is considered one of Europe's strongest economic regions. It is shaped by a diverse corporate landscape of companies working in many different industries. The high quality of life the region enjoys is a result of its economic strength, combined with a varied landscape offering plenty of opportunities for rest and relaxation.
