

Welcome to the south of Germany

The [International and Specialized Services](#) is looking for applicants for the following position to join the team at an international shirt production company, starting as soon as possible:

Service technician (m/f/d) in the area of sewing technology, back office and sales force work to service production facilities

Your duties:

- ✓ Provide technical support to the machine fleet in modern production facilities in eastern Europe and Asia
- ✓ Advise, support, and train mechanics and employees at international production facilities on company quality standards
- ✓ Provide technical support to our sample tailors in Bietigheim-Bissingen
- ✓ Attend professional exhibitions
- ✓ Support projects for further technical development of the machine fleet

Your profile:

- ✓ Completed training as a sewing machine mechanic, precision mechanic or production mechanic
- ✓ Professional experience in textile production and sewing technology
- ✓ Good written and spoken English abilities
- ✓ Fine motor skills, attention to detail and high awareness of quality
- ✓ Good communication skills and intercultural understanding
- ✓ Assertiveness, motivation and personal initiative
- ✓ Strong interest in international travel (approx. 50%)
- ✓ German fluency at C1 level desired

What the position offers:

- ✓ From 45,000 EUR gross / year (based on the Südwesttextil Collective Wage Agreement)
- ✓ Permanent or temporary employment contract
- ✓ Flexible working hours (38 hours per week)
- ✓ Support in house / apartment search and reporting to official agencies
- ✓ Customized on the job training program and support in improving language abilities

Work location: Bietigheim (Baden-Württemberg)

The state of [Baden-Wuerttemberg](#), in the southwest of Germany, is one of the strongest and most competitive economic regions in Europe. The labor market is stable and the demand for qualified professionals in a variety of industries is consistently high.

The [Heilbronn-Franconia](#) region in the north of Baden-Württemberg is the largest region in the state by area, and offers a strong and dynamic economy. This success is reflected not only in large cities like Heilbronn and Schwäbisch-Hall, but also includes many smaller towns and cities up to the border with Bavaria.

Have we sparked your interest?

Then we would be happy to receive your German or English [Curriculum Vitae](#).
