

Welcome to the south of Germany

The [International and Specialized Services](#) is looking for applicants for the following position for a leading fashion and lifestyle company in the premium segment with approximately 14,000 employees worldwide:

Technician in maintenance / Logistics technician (m/f/d)

The employees and the company are connected by a common goal: they wish to inspire people with their work. You have the opportunity to contribute your personality, ideas and creativity because only when we go new ways together something unique can result. Become a part of the team and discover how you can design your personal future within the company!

Your duties:

- ✓ Securing the availability of the storage, conveyor and order picking systems during operations
- ✓ Planning and management of preventative maintenance and service measures pursuant to DIN 31051
- ✓ Performance of repairs
- ✓ Replacement part management
- ✓ Recognition, analysis, removal and documentation of plant malfunctions
- ✓ Continuous optimisation of plants and processes
- ✓ Cooperation in diverse projects
- ✓ Management of external service providers (such as programmers, mechanics, shelf inspectors etc.)

Your profile:

- ✓ Completed training and multi-year professional experience as an industrial electrician or mechatronic technician (partially) automated logistics centres or production operations
- ✓ Technical skill in the performance of smaller repairs
- ✓ Knowledge of SPS (Siemens S7) and superimposed controls / IT systems
- ✓ Independent, team-oriented and engaged working methods
- ✓ Good knowledge of Microsoft Office as well as ideally knowledge of SAP
- ✓ Knowledge of German at the B1-B2 level

What the position offers:

- ✓ Fixed term employment contract, possibility of permanent employment
- ✓ Salary at tariff, depending on qualifications (starting at 3,100 EUR/monthly)
- ✓ Shift work (normally 1-2 shifts, in exceptional cases 3-shifts)
- ✓ Numerous benefits
- ✓ Space for inspiration, innovation and interaction in a modern and dynamic work environment
- ✓ Support in the compatibility of family and profession
- ✓ A dynamic and inspiring job in an engaged and motivated team
- ✓ Modern work environment on the corporate campus with a fitness studio, football and beach volley fields, company restaurant as well as a company medical service
