

Welcome to the south of Germany

The [International and Specialized Services](#) is looking for applicants for the following position to join the team at a dynamic and growing company in the high-tech fabrics sector for protective clothing and specialized fabrics used in a wide range of technical applications, starting as soon as possible:

Textile mechanic / master weaver (m/f/d)

Your duties:

- ✓ Be part of a production team
- ✓ Provide support in ensuring a smooth production process
- ✓ Work in the weaving plant
- ✓ Weave / set up modern Dornier gripper weaving machines

Your profile:

- ✓ Vocational training as a textile mechanic, master or textile machine operator / weaving plant and/or relevant professional experience
- ✓ Experience in weaving and setting up weaving machines, or interested in learning this work.
- ✓ You must also be flexible and enjoy working independently or as part of a team
- ✓ German language abilities min. level B2 desired

What the position offers:

- ✓ Compensation based on collective wage agreement, depending on qualifications
- ✓ Permanent or temporary employment agreement
- ✓ Shift work
- ✓ Our support services: Help in finding a house / apartment and training center for technical knowledge

Work location: Helmbrechts (Bavaria)

The state of [Bavaria](#), in the south of Germany, is one of the strongest and most competitive economic regions in Europe. The labor market is stable and the demand for qualified professionals in a variety of industries is consistently high.

The [Upper Franconia region](#) is located in the northern part of the Free State, in the Franconian section, and borders the states of Saxony and Thuringia.

Since reunification, Upper Franconia has been considered the heart of Europe. As a key tourism and industrial region, Upper Franconia offers diverse landscapes and diverse cuisines, as well as a large number of companies in different industries.

Have we sparked your interest?

Then we would be happy to receive your German or English [Curriculum Vitae](#).
