

Welcome to the south of Germany

The [International and Specialized Services](#) is looking for applicants for the following position to join the young team at one of Europe's leading providers of technical yarns and sewing threads made of high-tech fibers, chemical fibers and natural fibers, starting as soon as possible:

Production foreman (m/f/d)

The company's products are used in sectors like the automotive industry, medical technology, industry, and technical threads.

Your duties:

- ✓ Specialist, planning and organizational duties: Implementing, controlling and handling production planning (material flows, production and occupational safety) and optimizing processes and procedures
- ✓ Collaborating to assign and prepare machine setting cards
- ✓ Detecting faults in the production process, including technical faults and quality deviations, and taking suitable corrective measures
- ✓ Ensuring quality, quantity, and on time completion
- ✓ Inspecting and controlling equipment and machinery
- ✓ Training and management duties: Employee management (motivation, support and development of employees; supporting the foreman in employee assessment; planning staffing needs)
- ✓ The foreman is entitled to provide instructions in their production area with respect to SHE (safety, health, and environment)
- ✓ Trustworthy, constructive collaboration with the other shifts, other production areas and other areas.

Your profile:

- ✓ Completed training as a textile machine operator / textile machine mechanic
- ✓ Professional experience and specialist expertise in the areas of fiber twisting / spinning / winding or similar areas
- ✓ Several years of professional experience in production
- ✓ Preferably management experience of approx. 10 employees
- ✓ German fluency at B1 level desired

What the position offers:

- ✓ Min. 36,000 EUR gross / year
- ✓ Permanent employment agreement
- ✓ 3-shift operation with flex time account (40 hours per week)
- ✓ Individual support services

Work location: Memmingen (Baden-Württemberg)

The state of [Baden-Württemberg](#), in the southwest of Germany, is one of the strongest and most competitive economic regions in Europe. The labor market is stable and the demand for qualified professionals in a variety of industries is consistently high.

The company is located in the Baden-Württemberg region of Allgäu, near Lake Constance, not far from Bavaria. This strong economic region is characterized by a diverse natural landscape and offers a high quality of life.
