

ZAV-IPS Berlin Brandenburg

The BLEICHE RESORT & SPA is an individual entrepreneurial private house, which is oriented towards the needs of its guests. The allocation to "star and category segments" was deliberately omitted. In more than 20 years, the "Bleiche" with its property has grown into a year-round destination. It is easy to forget that the capital is just a good hour's drive away.

The 90 rooms, including 21 suites, are individually designed and equipped with collector's items. In addition to a library and bookshop with more than 15,000 books, the house has 9 restaurants ranging from elegant and noble to rustic and the typical Spreewald region style. The Landtherme covers 5,000 square meters and offers among other things 3 pools, saunas, Hamam, Spa cinema, numerous rest and application areas and a woman's Spa. Recently we received an award in the category Spa Design, which was awarded with the Wellness Aphrodite. While the little guests are lovingly cared for in the Villa Schmetterling, adults can start a tour through the Spreewald at the hotel's own barge harbour. Our gourmet restaurant "17fuffzig" was awarded with its first Michelin star. In its 2018 edition, Gault Millau awarded the "17fuffzig" gourmet restaurant 17 points.

We were only able to achieve all these successes thanks to our unique employees. In order to maintain this performance in the future, we are looking for motivated employees who have the desire and passion to work with us to make a difference - and ultimately to improve even further.
