

Dear Exhibitor,

Are you a Latvian employer who is looking for qualified employees from EU/EEA countries?

If yes, we would like to invite you to take part in the European Job Days event "[Job and Career in Latvia 2019](#)" to find the best of them.

The online event will be held on **September 26th**, 2019 from **10:00 to 16:00** (CET).

Are you struggling to meet your recruitment needs?

This will be a fantastic opportunity to promote your job vacancies across Europe. Taking part in "[Job and Career in Latvia 2019](#)" means that your company has the chance to [register an exhibitor's account](#) (if it doesn't have one already), publish and manage job vacancies and conduct private online chats with candidates.

Deadline for registration of the exhibitors' accounts for Latvian employers is September 25th, 2019.

The online nature of the event offers maximum flexibility, giving you the chance to contact

jobseekers from all over Europe!

The benefits of the online event:

- Participation is free of charge.
- Your company profile will receive widespread international attention (you can also add a link to your company video in the company profile).
- Open vacancies will be promoted before and after the event.
- You can collect applications beforehand.
- Jobseekers can be engaged in direct conversation.
- Interviews can be booked to take place during the event (either via Skype or our live chat tool).

If you have any doubts, please send us your questions using the [contact form](#) or contact at helpdesk@europeanjobdays.eu at any time or visit the [event website](#) which is permanently updated

We look forward to welcoming you **online on 26th September** on the [European Job Days platform](#) .

We wish you a very successful event!
