

„Make it in Germany – take your chance“ – European Online Job Day

This event is part of European Job Days - a series of events organised throughout Europe.

We would be happy to reach jobseekers who would like to live and work in Germany. During the event we will provide jobseekers with helpful information about Germany, streamed live, such as:

- Living and working in Germany
- Successful application
- How I found my way to Germany/back to Germany – best practice
- Recognition of foreign professional qualifications

Take the chance to explore the many opportunities that Germany offers across a diverse range of job sectors. Some examples are as follows:

- Health & Care - IT/ICT-Specialists - Engineers/Technicians - Hotel & Catering Industry - Transport & Logistics - Construction & Handcraft

For registration and participation please visit our event website:

Participation is free of charge.

We do not say Germany is perfect, but it is a pretty awesome place to work and live.

We kindly ask for your support in promoting our online recruitment event among jobseekers living in your country, across your network and partners.

Please share our event!
