The Customer Center (ZAV), department of the Job federal agency in Germany and in cooperation with EURES, is recruiting people for the gastronomy sector that are interested to work in Germany.

Opened in 2012, our restaurant holds a lot more than its simple name promises. In the midst of enchanting and lush nature of the marshlands, the wooden facade of this touristic feature shines in Swedish red already in the distance above a wooden terrace located directly on the water, which as a resting place challenges you to linger in heavenly surroundings just as much as the lush green of a generously dimensioned sunbathing lawn.
