In Kreuzberg, almost like at home.

A boutique hotel in Berlin's true centre! Where the geographical centre of the capital is located - in the middle of Kreuzberg, the Hotel the YARD is nestled in a green idyll.

The inspiration for a green inner courtyard in the heart of a large metropolis came from Italy and this vision came true in the YARD. With the most famous garden architect in the world, Enzo Enea, a green retreat was created, an oasis in the middle of a central location.

Our hotel with 55 rooms is a refuge in the middle of the big city and not only shines from the outside in its high-quality and modern design!
