

The International Services (Zentrale Auslands- und Fachvermittlung, ZAV), a department of the Federal Employment Agency in cooperation with EURES, recruits and supports employees from abroad interested in taking up employment in Germany, Hessen. The federal state Hessen is situated in the middle of Germany and is home to several world-leading companies. The region's economic development depends to a large extent on the performance and competitiveness of small and medium-sized enterprises. The labor market is stable and the demand for qualified workers is high.
