

“Restoincampo” app

Would you like to work in the agricultural sector?

Now you can look for work and ensure that your rights as a worker are guaranteed. How?

- download the “Restoincampo” app for free on Google Play (Android) or the Apple App Store (iOS)
- sign up for the app and enter your skills
- choose the job listings best suited to you
- farms can then contact you

If you run a farm, you can post the vacancies you have available and view and manage the applications received.
